

# **Media Advisory: 2014 Corruption Perceptions Index to be launched 3 December**

Transparency International (TI) will release its 20<sup>th</sup> annual *Corruption Perceptions Index* on Wednesday, **3 December 2014 at 5 am Berlin time (11 am Hanoi time)**.

This year's index ranks 175 countries/territories by their perceived levels of public sector corruption. The index draws on 12 surveys covering expert assessments and views of businesspeople. The *Corruption Perceptions Index* is the leading global indicator of public sector corruption, offering a yearly snapshot of the relative degree of corruption by ranking countries from all over the globe.
